Prologue

Yuu, Ginta, or Kei... Where will your love go? In valentine's day, tell your true feelings!

Is valentine's day soon, but your feelings are a bit complex. Yuu, Ginta, and Kei, the 3 of them have confessed to you. What should you do? You don't know...

When you asked Meiko for advice, she said "how about making up your mind and confess your true feelings"

During christmas eve, new year, the Ski Trip... Doing things like phone calls, and dates your heart shakes, but in valentine you have to confess properly to the person you really like.

I wonder if you will achieve mutual love or it will be a unrequited love.

No-one knows what love has for them in the future...

First the stand by. Your heart is ready, right?

Lesson 10

For you who didn't achieve mutual love. Here are some classsified techniques!

Advice for achieving mutual love!

Do not underrate the charm powers!

Don't say things like "I don't believe in those 'charms'"!
Why don't you try them? Let me tell you, unfaithful people, perhaps they bring you unexpected results.

Value your memories together!

When you are watching your Memory Photos, if you check his data several times, your connection (feelings) might improve...

Get extra points during the Ski Trip!

During your trip of 3 days, 2 nights, to ski, you have a perfect chance to get extra points!

Try to think carefully your "Words" and "Actions/behaviour" there. It may not be time to regret...

Spending time together grow/increases your love

Value your time with him, going out together, calling each other! After all, the more time you spend together, the more feelings you will grow.

Be sincere about your feelings.

Perhaps you are seen as a person who just try to be nice to everyone. A shilly-shally behaviour/attitude can be easily missunderstood. Do an effort to make sure he knows your feelings properly!

The decisive part is your "confessing words"!

What kind of confession will you make? It's exciting! Make up your mind, and choose the words you really want to say!
